Bob's Burgers Official Coloring Book for Adult Paper is of good quality, but keep in mind that illustrations are printed on both sides of the pages. This design choice is largely universally hated and the main source of complaints from buyers. This is partly because the images are so endearing for fans of the show that they really hate to lose any images to bleed through. There are also a number of two-page spreads that combined with two-way pages mean you have to be careful with what and/or how you color. Tina Wrecks Car - Bob's Burgers Coloring Page So this may not be the perfect coloring book and may not mean much to people unfamiliar with THE TV shows.
